Book of the Month!

The Sapphic Book Club October book is.....

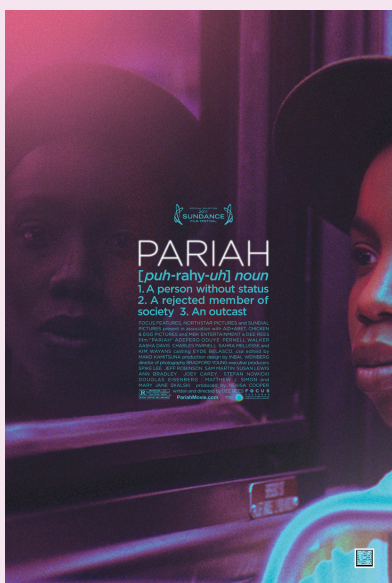

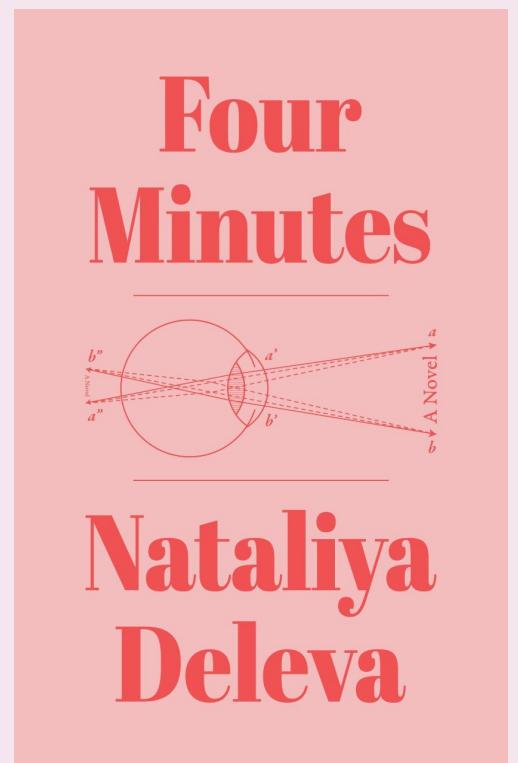

FOUR MINUTES

by Nataliya Deleva

Here is a brief synopsis of the book:

"Giving voice to people living on the periphery in post-communist Bulgaria, *Four Minutes* centers around Leah, an orphan who suffered daily horrors growing up, and now struggles to integrate into society as a gay woman. She confronts her trauma by trying to volunteer at the orphanage, and to adopt a young girl—a choice that is frustrated over and over by bureaucracy and the pervasive stigma against gay women."

Don't forget to support independent bookstores and try to shop at your local bookstore! If not, you can always order online from local bookstores from around the world!

New Movie Alert!

Keep an eye out for some spooky movies coming out this October. "NIGHT TEETH," which comes out on October 20 on Netflix, involves Megan Fox, Sydney Sweeney, and Vampires. Couldn't have asked for anything more. Although the level of gay cannot be confirmed with this one, I will still be watching. One of the greatest films, "PARIAH," will finally be available for streaming on its 10 year anniversary on HBO Max. Now there is no excuse not to watch this movie. Two other films, TULLY (2018) and THE HOURS (2002) will also be available to stream on HBO Max this month.
